Procedures and Rules for the California Solar  
Initiative, the Self-Generation Incentive Program  
and Other Distributed Generation Issues.

Rulemaking 06-03-004  
(Filed March 2, 2006)

**ADMINISTRATIVE LAW JUDGE'S RULING  
GRANTING MOTIONS TO INTERVENE**

On April 17, 2006, Arno Harris (Mr. Harris) filed a motion to intervene in this proceeding, stating he had been an active party in the Commission's earlier Rulemaking, R.04-03-017, on Distributed Generation. Mr. Harris works in the solar industry and has a continuing interest in the substance of the proceeding.

On April 21, 2006, Californians for Renewable Energy (CARE) filed a motion to intervene, stating it represents low income residents throughout the state of California and is an active proponent of self-generated and solar power. CARE seeks to ensure that funding and incentives under the Commission's California Solar Initiative and the Self Generation Incentive Program are accessible to all Californians, including those in lower-income areas.

There was no opposition to either intervention request. Good cause having been shown, the requests by Mr. Harris and CARE to intervene as parties in this proceeding should be granted.

Therefore, **IT IS RULED** that:

1. The motions to intervene filed by Arno Harris and Californians for Renewable Energy are granted.

2. The Process Office and the parties are directed to add the following names to the service list for this proceeding:
